### *From the President*

Hello Brothers,

This being the beginning of another somewhat abbreviated Irish History Month, let us take time to count the blessings in between. For starters, we all have each other. Be sure to check in on one and other. Reach out to a Brother you haven't heard from lately and let him know you are there if he needs assistance and if he should need assistance, "aid him when in distress".

Secondly, the Pub has been open, although at a reduced occupancy, it still serves as an excellent place to stop by for friendly faces and the coldest beer in town.

Another thing to be thankful for is that you will be hearing bagpipes in the approaching days as I am sure that many of our resident pipers will be out and about in some capacity.

I would also like to point out that this month is a great opportunity to celebrate our unprecedented, 3-term current Grand Marshal, Bobby Whitmore.

Let us hope that with the increasing availability of vaccine distribution and decrease in cases, we can soon return to our full capacity and schedules and resume the Month of March festivities as they have been famously celebrated in the past.

In our motto,  
Eddie Mongan
